

## **User Story 101**

As a customer, I want to be able to search for products by keywords, category, or brand, so that I can find what I'm looking for quickly and easily

Acceptance Criteria : The search function should allow customers to search by keywords, category, and brand. The search results should be relevant and display products that match the customer's search query. The search results should be presented in a clear and organized manner. The search function should be easy to use and located prominently on the website.

### **Acceptance Criteria**
